1. Narrative/Overview Narrative By Jesse Windham

On June 23rd, 2022 at 2245 hours I, Deputy Windham, was working off duty in my full duty uniform at Stir Concert Cove at Harrah's Casino. Security personnel requested assistance near the T-intersection of Harrahs boulevard after

observing a male in a red shirt walking through traffic and laying down in the roadway. I responded to the location and security personnel directed me to the male who had walked into the ditch and was found lying face down. I attempted to find a ride home for the individual but he would not cooperate to find anyone to pick him up. I informed him that I could see that he was intoxicated and he stated "I know". The individual became non-cooperative in the attempt to find a ride home and was eventually placed under arrest for public intoxication and transported to the Pottawattamie County Jail.
