1. Narrative/Overview Narrative By Rex Woodbury

On 07/05/22, I was working in the civil division of the Pottawattamie County Sheriff's Office. At approximately 1150 hours, I was advised that there was a part in the jail that had an out of state warrant. Upon my arrival in booking, I was given a copy of the records query and hit confirmation (see attached). I then made contact with the defendant, and advised him that he was being charge with fugitive from justice. I did not read him any questions, so I did not read the Miranda Warning. I was in service from booking at approximately 1200 hours.

The encounter was recorded with my body worn camera. I completed the complaint and affidavit.
