1. Narrative/Overview Narrative By Megan Wirt

On August 16, 2022 I was notified by corrections staff that there was an inmate who needed to be read a warrant. I made contact with Kyle Steven Johnson in G Pod and confirmed his identity. I advised that he had an additional charge of theft 5th degree that would be addressed tomorrow in video court. I informed him via the speaker in housing control due to Kyle being isolated in his cell for possibly having covid and he advised he understood the charge.
